**WP(C)No. 1137 OF 2007**

**Dated this the 24th January, 200.**

**JUDGMENT**

It is stated that the petitioner is working as Pump Operator in the Kerala Water Authority. The pleadings would clearly show that he is neither a permanent employee of the Water Authority nor an employee appointed temporarily through the Employment Exchange. How he happened to be an employee or under what circumstances he asserts that he is an employee, is not clear from the pleadings.

2. He has approached this Court praying for directions to the respondents to stop all proceedings initiated to fill up the vacancies in the Water Authority through the Employment Exchanges because if the vacancies are so filled up, he is likely to be disengaged. According to him no appointment through Employment Exchange shall take place until regular appointment through Public Service Commission is made.

3. The contentions urged in this writ petition and the reliefs prayed for on the strength of such contentions appear to be strange and far-fetched . This Court will not grant any such reliefs. Writ petition is absolutely

without merit and the same deserves to be dismissed. I do so.
